

2025 – 2028 Strategic Plan

The Ohio Chapter, American College of Emergency Physicians exists to support quality emergency medical care and to promote the interests of emergency physicians.

<i>Guiding Principle</i>	Ohio ACEP represents a diverse, inclusive community where members are actively engaged and supported in both their professional and personal lives, dedicated to advancing patient care and the emergency medicine profession.
<i>Guiding Principle</i>	Ohio ACEP operates responsibly, ensuring value and benefit to all members through effective management and strategic initiatives.
<i>Guiding Principle</i>	Ohio ACEP will cultivate leaders and optimize resources to enhance organizational efficiency to align with and fulfill the objectives of our strategic plan.

<i>Theme</i>	Professional Development &		
	Advocacy	Innovation	Workforce/Practice
<i>Goal</i>	Policymakers, patients and the public understand and support the role and value of physician-led emergency medicine.	Learn and apply evidence-based care through diverse education programs while implementing and advancing innovative technology in both clinical and non-clinical settings.	Improve the work environment for emergency physicians while leading the delivery of acute, unscheduled care in emergency departments.
<i>Strategy</i>	<i>Create a proactive and collaborative policy agenda to educate policymakers on the needs of emergency physicians to provide quality patient care in a safe environment.</i>	<i>Develop and deliver high-quality, innovative Continuing Medical Education (CME) programs.</i>	<i>Promote the diversity of practice under the auspices of emergency medicine.</i>
<i>Strategy</i>	<i>Track and respond to proposed bills and regulations that impact patient care and the practice of emergency medicine.</i>	<i>Cultivate leadership within the chapter at all levels.</i>	<i>Medical students, residents and those new to practicing emergency medicine are supported in their efforts to provide comprehensive emergency care.</i>
<i>Strategy</i>	<i>Promote the value of emergency care to patients and stakeholders, while educating the public to enhance the perception of emergency medicine and its physicians.</i>	<i>Adapt to the evolving landscape of board examinations and serve as a valuable resource for members.</i>	<i>Identify and share workplace best practices with members.</i>
<i>Strategy</i>	<i>Showcase Ohio ACEP's advocacy efforts through targeted public relations and community outreach initiatives.</i>	<i>Expand upon the success of the Residents' Assembly, Medical Student Symposium, and Annual Meeting to enhance future programming and engagement.</i>	<i>Create and sustain communities to allow for knowledge and experience sharing.</i>
<i>Strategy</i>	<i>Monitor and influence health policy and regulatory issues affecting EMS in Ohio.</i>	<i>Direct individuals to resources that support their transition into non-clinical or specialized roles.</i>	<i>Guide members to resources that provide insights into employer transparency and promote a fair practice environment.</i>

The Ohio ACEP Strategic Plan was approved by the Board of Directors in March 2025.

This strategic plan is a living document designed to guide Ohio ACEP's actions, recognizing that it may evolve over time and may not address every challenge or opportunity that arises.
