**EMERGENCY MEDICAL SERVICE
HUMAN TRAFFICKING TRAINING**

Human trafficking is a serious crime and a grave violation of human rights. Every year, thousands of men, women and children fall into the hands of traffickers, in their own countries and abroad. Almost every country in the world is affected by trafficking, whether as a country of origin, transit or destination for victims. Attend this event to learn about the effects of human trafficking in our communities and what to look for during an emergency medical service call.
