Documentation and Coding Psychiatry & Behavioral Health Care 2023

Webinar 2 of 3:

Inpatient and Facility Documentation and Coding

Activity Type

On-demand Webinar (Enduring Material)

Overview

This 90-minute program covers the detailed changes in E/M documentation and coding for facility-based care. This program reviews the major changes for the specific CPT codes for inpatient settings (Emergency Room, Hospital, Observation, Nursing home settings and other locations). There is a review of how IOP, PHP and substance abuse withdrawal services may be coded and more.

Learning Objectives

- Describe the Evaluation and Management documentation and coding changes made in 2023 for facility settings, including changes in emergency room CPT codes and services.
- Explain the specific documentation requirements for medical decision-making including identification of the problems addressed, data used for determining medical care needs and overall risk issues with both the diagnoses and treatment plan.
- Identify the changes in prolonged care coding for all unique code sets for time-based coding on a specific date of care versus care provided on dates before or after face-to-face patient care.
- Understand the role of hospital or facility support staff for documentation for coding in the code structure and the relationship with physicians and other qualified health care professionals in the AMA CPT coding scheme.

Faculty

Diane Zucker, M.Ed., CCS-P

Diane Zucker is a health care management and reimbursement consultant who has spent nearly three decades as a consultant providing physicians and medical practices with educational programs, support and ongoing information on the complex maze of documentation, coding and compliance. Diane has a Master's degree in Education and a Bachelor's degree in social work from Kent State University with additional coursework in health care management and reimbursement. Prior to consulting, Diane worked in health care as a social worker and for a major health insurance company. Diane is also a certified CPT coder and ICD-10-CM trainer.

Disclosure

In accordance with disclosure requirements, Ms. Zucker has indicated that neither she nor any member of her immediate family has any relevant financial relationship with any commercial interests. Additionally, she will not discuss unapproved or investigational use of a product.

Target Audience

This activity is designed for psychiatrists and residents/fellows. Other groups may find this educational activity of value, including other non-psychiatric physicians including primary care, as well as psychologists, nurses, social workers, counselors, physician assistants, and other mental health care professionals.

Estimated Time to Complete

Estimated Duration: 90 minutes

Begin Date: 12/15/2022

End Date: 12/15/2023

Continuing Medical Education Credit

This activity has been planned and implemented in accordance with the accreditation and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Psychiatric Association (APA) and the Ohio Psychiatric Physicians Association (OPPA). The APA is accredited by the ACCME to provide continuing education for physicians.

The American Psychiatric Association designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to Earn Credit

Participants who wish to earn *AMA PRA Category 1 Credit™* or a certificate of participation may do so by completing all sections of the course including the evaluation. After evaluating the program, course participants will be provided with an opportunity to claim hours of participation and print an official CME certificate (physicians) or certificate of participation (non-physicians) showing the completion date and hours earned.

Planner Disclosures

- Karen Jacobs, DO, Cleveland Clinic
Reports no financial relationships with commercial interests.
- Janet Shaw, MBA, Ohio Psychiatric Physicians Association, Columbus
Reports no financial relationships with commercial interests.

Technical Requirements

This internet-based CME activity is best experienced using any of the following:

- The latest and 2nd latest public versions of Google Chrome, Mozilla Firefox, or Safari
- Internet Explorer 11+

This Web site requires that JavaScript and session cookies be enabled. Certain activities may require additional software to view multimedia, presentation, or printable versions of the content. These activities will be marked as such and will provide links to the required software. That software may be: Adobe Flash, Adobe Acrobat Reader, Microsoft PowerPoint, and Windows Media Player.

Optimal System Configuration:

- Browser: Google Chrome (latest and 2nd latest version), Safari (latest and 2nd latest version), Internet Explorer 11.0+, Firefox (latest and 2nd latest version), or Microsoft Edge (latest and 2nd latest version)
- Operating System: Windows versions 8.1+, Mac OS X 10.5 (Leopard) +, Android (latest and 2nd latest version), or iOS/iPad OS (latest and 2nd latest version)
- Internet Connection: 1 Mbps or higher

Minimum Requirements:

- *Windows PC:* Windows 8.1 or higher; 1 GB (for 32-bit)/2 GB (for 64-bit) or higher RAM; Microsoft DirectX 9 graphics device with WDDM driver; audio playback with speakers for programs with video content
- *Macintosh:* Mac OS X 10.5 or higher with latest updates installed; Intel, PowerPC G5, or PowerPC G4 (867MHz or faster) processor; 512 MB or higher RAM; audio playback with speakers for programs with video content
